

London & the English Countryside

May 7-9, 2027

After our Celebrity Apex transatlantic voyage arrives in Southampton, the journey continues with two beautifully planned days in England - an iconic country estate, followed by a castle and sparkling-wine experience in Kent.

OUR LONDON HOME

The Clermont Victoria - centrally located for exploring the city, with breakfast included each morning. Additional nights available at our special group rate, subject to availability.

DAY 1 - FRIDAY, MAY 7, 2027

Southampton to London via Highclere Castle

HIGHCLERE CASTLE - THE DOWNTON ABBEY ESTATE

We'll be met at the Southampton cruise terminal after disembarkation and begin our journey toward London with a very special stop at Highclere Castle - the magnificent country estate known around the world as Downton Abbey.

Enjoy time to discover the castle and grounds before continuing to our London hotel. Our luggage travels with us, making this both a memorable first day and a seamless transfer from ship to city.

Evening: Dinner and optional London experiences on your own.

A note about Highclere: Highclere Castle has not yet released its Spring 2027 visitor schedule. Our first choice is to visit Highclere on May 7. The exact experience will depend upon the programme offered that day; should a special experience be available rather than general admission, a modest additional charge may apply. In the very unlikely event that Highclere is not open to the public, our wonderful alternative will be Blenheim Palace.

DAY 2 - SATURDAY, MAY 8, 2027

Leeds Castle & Gusbourne Estate

After breakfast, travel into the Kent countryside for a visit to Leeds Castle, dramatically set on islands in a lake and often described as one of England's loveliest castles.

Then continue to Gusbourne Estate, one of England's acclaimed sparkling-wine producers. Our visit is designed as a leisurely culinary experience: a guided tasting, a multi-course lunch, and a tour of the estate and vineyards before returning to London in the early evening.

Evening: Dinner and optional London experiences on your own.

DAY 3 - SUNDAY, MAY 9, 2027

Depart for Home - or Stay and Enjoy More of London

After breakfast, the hosted two-night extension concludes. Guests may depart for flights home or extend their London stay independently at the group hotel rate, subject to availability.

Airport transfers: For any departure day, airport transportation will be made available at an additional cost. Transfer arrangements and pricing will be based on the number of guests traveling to the airport at similar times.
